They cannot play down a level even if they are age eligible. (For example, a 4th grade player on a 3/4 roster can play up to 10U but a 4th grade player on a 10U roster cannot play down to 3/4.) **Guest players must bat last.** Towns should use their best effort to replace missing players with players of equal ability of the missing player(s). **No guest players will be allowed to play in the playoffs. See below for rules regarding guest pitchers.**
4. **Roster**-must be submitted by June 10th. No changes after July 1st.

Guest Pitcher Rules

During the regular season guest players can serve as pitchers as long as the following criteria are met:

1. Guest pitchers must be rostered on a 2/3, 3/4, 10U, or 12U team. There will be no guest pitchers from the 1/2 level.
2. Guest pitchers may only play up ONE age level and they CANNOT play for another team at the same age level.
3. A girl cannot pitch in more than 1 game in a single day.
4. A girl cannot pitch in more than 4 games across multiple age levels in any one calendar week.
5. Only one guest pitcher is allowed per game per team. A team cannot have more than one guest pitcher. A guest pitcher may expand a team's available game day roster by one player even if that team already has 10 or more players available.

6. Girls are only to serve as guest pitchers for the following reasons: 1) Avoid postponement and or cancellation of a game. 2) If a team absolutely cannot field a pitcher from its available game day roster. 3) The girl is an established pitcher at the level from which she is being called up. Girls "learning" to pitch should not be called up to serve as guest pitchers. 4) Facilitate a quality experience for all girls in terms of pace of play and avoiding "walk-a-thon" game experiences.

The guest pitcher's coaches are responsible to determine a girl's eligibility in accordance with these rules. A violation of this rule, including an accidental violation, will result in disciplinary action as determined by the Kinderkamack Softball Board of Directors.

Guest pitchers must be declared to the opposing coach prior to the start of the game and must bat last. Guest pitchers must be reported to kinderkamacksoftball@gmail.com after the game. These emails will be kept in a folder and reviewed to determine if any coaches and or towns are misusing and or abusing the guest pitcher provision. Misuse and or abuse of the guest pitcher provision will result in disciplinary action as determined by the Kinderkamack Softball Board of Directors. **No guest pitchers of any kind will be allowed to play in the playoffs.**

ADDITIONAL GAME RULES

1. **Sliding** – Head first sliding is not permitted except when returning to a base. All base runners advancing shall slide feet first at all bases. Any other slide is an automatic out. No hurdling over a player on a tag play to avoid tag. This will result in an automatic out. A baserunner should avoid collisions at all time by either sliding or avoiding collision with the defensive player. To clarify a baserunner must slide or avoid. In the judgment of the umpire, any runner is OUT when the runner does not slide OR attempt to get around a fielder who has the ball and is waiting to make the tag. It is the responsibility of the runner to slide in order to reduce potentially injurious contact on all plays at all bases. NOTE: A player is not out if she doesn't slide, she's out only when she creates a collision with a defensive player. No contact, no out. Also, a defensive player cannot block a base unless there is a play at that base and the defensive player is in possession of the ball or is in the process of receiving the ball. IF A DEFENSIVE PLAYER IS NOT IN POSSESSION OF THE BALL OR IS IN THE ACT OF FIELDING or RECEIVING THE BALL AND THERE IS A COLLISION then the umpire shall wait until a dead ball situation and award the runner the base by reason of obstruction. Interference and obstruction by base runners and fielders are as per HS rules.
2. **Regulation game** – If a game is ended by the umpire due to weather or darkness prior to completion, the following rules apply:

1/2 Division - It's an official game, after (3) three innings, unless the Home Team is leading after 2 1/2 innings.

After three innings, you revert back to the previous completed inning to determine a winner if the game is called due to weather or darkness.

2/3 & 3/4 Divisions - It's an official game after (4) four innings, unless the Home Team is leading after 3 1/2 innings.

After four innings, you revert back to the previous completed inning to determine a winner if the game is called due to weather or darkness.

10U, 12U & 14U Divisions - It's an official game, after (5) five innings, unless the Home Team is leading after 4 1/2 innings.

After five innings, you revert back to the previous completed inning to determine a winner if the game is called due to weather or darkness.

If a game is called before it's a regulation game you resume play from the exact point that the play was halted until it becomes a regulation game.

If there is a tie after the scheduled number of innings, extra innings will be allowed if under time limit otherwise game will end in a tie.

Games that end due to TIME LIMIT are official regardless of how many innings were completed.

If "last inning - unlimited runs" IS NOT DECLARED AT THE BEGINNING OF THE TOP OF THE INNING AND THE BOTTOM OF THE INNING GOES BEYOND THE TIME LIMIT, then the mercy rule run cap WILL apply to that bottom half of the inning. At this point, the game would end and be considered an official game.

If the margin of runs by the Visiting Team is greater than 6, then the Visiting Team is declared the winner and you finish the bottom half of that inning for "fun" or "Practice". As that is considered an official game.

If the "last inning" is declared before the top of the inning and the inning finishes before getting to the time limit, the game is over and is considered an official game.

3. During the regular season a tie will stand as the final score.
4. All playoff games must be played until a winner is determined, upon weather or darkness game will follow continuation rule. *The time limit restriction will not apply to championship games.*
5. **Continuation Rule** – Game will be resumed exactly where it left off. All records including pitching shall be counted. Players that were not in the original game lineup will not be allowed to play in the resumed game. Players that are not at the resumed game but were in the original game lineup will have their spot in the lineup skipped without penalty.
6. **Players arriving to a game late** – Player will be added at the bottom of the batting order.
7. **Players leaving a game early** - There is no penalty for players leaving the games early. The spot in the lineup will be skipped. If a player is ejected, their spot in the lineup becomes an out only if Cinderella batting is being used.
8. **Speed Up Rule** – Teams can choose to use a courtesy runner for pitchers or catchers no matter how many outs. The courtesy runner must be the last batted out or a player not in the starting lineup.
9. **Infield Fly Rule** – *see division rules.*
10. **Tagging up** – from any base is allowed at all divisions except 1/2.
11. **Warm Up** – Prior to games, the visiting team shall have a 15 minute window to warm up and practice on the opposing team's field.
12. **Game balls** - Home Teams are responsible to supply 2 game balls (11" for 1/2, 2/3, 3/4 and 10U, 12" for 12U, & 14U). Balls must be max .47 COR, max 375 lb. compression

Batters that are hit by "slow" pitches that are rolling or bounce multiple times should not be awarded 1st base. If a pitcher hits 3 batters in a game, both coaches and the umpire should discuss if the pitcher is a safety concern. If so, then the pitcher should be removed from the game. There must be a unanimous agreement amongst the 3 parties (2 coaches plus the umpire) agreeing the pitcher is not a safety concern in order for the pitcher to remain in the game.
