

KINDERKAMACK SOFTBALL SPRING RULES

Updated 5/14/26

Philosophy - To foster the true spirit of the game, where managers, coaches and parents encourage and support the social fabric of the game, the fun and enjoyment in playing the game of softball, teaching the kids sportsmanship, to be team players, to be schooled in the fundamentals and to be enthusiastic and confident.

Player Eligibility

Each team can have a roster consisting of players only from participating towns.

Exceptions

Allowances will be afforded to a player who has a unique circumstance or hardship.

Out of town residents attending an in town private or parochial school.

Towns that cannot field a team(s) without combining with another town(s).

Town administrators must notify the commissioners if any of the above exceptions exist.

All eligibility waivers must be submitted to the commissioners in writing by April 1st and will be reviewed on a case-by-case basis.

General Rules

Team rosters need to be balanced as close as possible with girls from both grades. Towns should make every effort to build balanced teams and not “stack” one team if they have multiple teams in a division. The commissioners will review rosters before the season to ensure compliance.

Weekday games are to start at 6pm or later unless agreed upon by BOTH head coaches. Weekend games are to start at 9am or later. This applies to the regular season as well as the playoffs.

The regular season will consist of 8 games for 3/4 and 10 games for 5/6, and 7/8. Games begin early April and end the week after Memorial Day. Playoffs begin the Monday after Memorial Day. The 1/2 season consists of 5 games beginning mid-May and ending the first week of June.

Preseason Scheduling

- All games are scheduled by Kinderkamack Softball before the season's start. The season will consist of 8 weeks. No games will be initially scheduled for week 8.
- A **10-day schedule change period** follows the initial release. Coaches should submit all requested changes during this window to their town administrator.
- At the end of the 10-day period, each town's league president or director submits **one consolidated email** per town with all changes. **Individual coaches** should not email changes after this period.
- **No games** scheduled for Weeks 1–6 may be moved to Weeks 7–8 during preseason. Weeks 7–8 are reserved for in-season rain makeup games.
- Intra-town games (two teams from the same town) **must** be played **before Week 8** or they will **not count** toward standings.

Forfeits

Recreational softball prioritizes **participation** over winning. Forfeits deprive over 20 girls of playing time and should be used only as a last resort.

A forfeit will be accepted by Kinderkamack Softball only in these circumstances:

- Both teams arrive at the field, but one team lacks the required minimum number of players.

- A team fails to show up for a scheduled game.
- A team cannot field a team and provides **no notice** at least **48 hours** in advance.
- A coach is unresponsive and/or fails to facilitate a reschedule (with supporting texts/emails provided to Kinderkamack Softball).

No forfeit will be awarded when the scheduled opponents are from the **same town**.

Additionally, a team that **refuses** to play at an alternate location when their home field is unplayable will forfeit (see Rain Outs section below).

Rain Outs & Field Unplayability

Participation remains the priority. Every reasonable effort should be made to play scheduled games, even if weather or field conditions require flexibility. "Home field advantage" is **not** a valid reason to cancel or refuse an alternate site.

- If the **home team's field** is unplayable on game day, the home team must notify the away team at least **3 hours** before the scheduled start time.
- The away team must then check with their league president, director, or field coordinator to determine if their field(s) are playable and available.
- If the away team's field is playable and available, the game will relocate there. The **home** and **away** designations remain unchanged, and the scheduled umpire(s) will be informed of the venue change.
- **Refusal** by **either** team to play at the alternate location will result in a **forfeit**.

Coaching/Personnel Concerns & Issues

Kinderkamack Softball serves over 150 teams and 2,000+ girls each spring. Most issues can and should be resolved locally.

General protocol — Start at the lowest level:

1. Contact the coach's or parent's **town administrator**.
2. If needed, escalate to the **division director**.
3. As a last resort, contact the **Kinderkamack Softball Board**.

Parent Concerns About Their Child's Coach

- Issues such as playing time or coach demeanor should be directed to the **town's president, director, or board**.
- If Kinderkamack Softball receives such an email directly from a parent, it will be forwarded to the appropriate town contact(s) for handling. No direct response will be provided to the parent.

In-Game Coach-to-Coach Issues

- Both towns' presidents, directors, or boards will be notified.
- The involved coach(es) must send a detailed email describing the incident to both towns' leadership.
- Towns should attempt to resolve internally. If no agreement is reached, either town may contact the Kinderkamack Softball division director for guidance.
- Final decisions typically rest with the towns. Kinderkamack Softball will intervene only in rare cases.

Rules Clarification During a Game

- The umpire makes the best-faith decision on the field.

- Coaches must **not** contact a Kinderkamack Softball Commissioner directly.
- Instead, contact their **town president, director, or board** for clarification.
- If the town cannot resolve it and no Commissioner is immediately available, the umpire's decision stands, and play continues.

In-Game Rule Violation

- Follow the Rules Clarification process above.
- The questioning coach should notify the umpire of the alleged violation **after the play concludes** but before proceeding to clarification.

Roster Violation Procedures

Before game start or after first pitch:

- The coach notifies the umpire of the violation and identifies the player.
- The umpire informs the alleged violating coach.
- The game continues **under protest**.
- No Commissioners are contacted during the game.
- The protesting coach emails their town president/director/board with:
 - Detailed gameplay rosters for both teams.
 - Umpire name(s).
 - Highlighted alleged violating player.
- The town forwards to the alleged violating town and Kinderkamack Softball Commissioners.
- Commissioners determine validity → If violation confirmed: **forfeit loss** to violating team + **first warning** to the entire town.
- A **second violation** (any team, any division, same season) → entire town **removed from playoff eligibility**.

After game completion:

- If discovered post-game, the email process is the same (via towns to Commissioners).
- If confirmed: **No points/standings change**, but **first warning** issued to the town.
- **Second violation** (same season, any team/division) → town **removed from playoff eligibility**.
- Violations must be raised and addressed **during the game** when possible—post-game discoveries carry lesser immediate penalties.

Disciplinary Action

Towns handle most issues internally. However, the Kinderkamack Softball Board of Commissioners reserves the right to **suspend or remove** any coach, player, parent, town representative, fan, or supporter from all participation (including spectating) as a last resort for:

- Repeated gameplay issues.
- Intentional rules or roster violations.
- Actions detrimental to players, opposing teams/coaches, or umpires.

Such severe cases will also be reported to the individual's town recreation department, recreation director, and mayor/council.

These guidelines promote fair play, participation, and efficient administration while keeping the focus on the girls enjoying recreational softball. Questions should route through town channels first. Thank you for your cooperation!

Game Rules

The following rules do not apply to the 1/2 division. All 1/2 rules are below in a separate section.

High School rules apply in all aspects unless mentioned specifically in the rules.

(Important: when asked by umpires whether Kinderkamack Softball follows the High School rule, respond by saying “No.” Say instead we follow our OWN RULE)

1. **Batting Order:** Cinderella batting order. All players must be in the starting lineup and bat.
2. **Guest players** can be used from other teams in the same participating town to fill a roster to 10 players. **Guest players must bat last and allowed to play any position EXCEPT pitcher.** A maximum of 2 guest players allowed per team per game and a girl may only appear as a guest player twice per season. Teams should use their best effort to replace missing players with players of equal ability of the missing player(s). Guest players must be declared to the opposing coach prior to the start of the game. **No guest players will be allowed to play in the playoffs.**
3. **Rosters** - must be submitted to by April 1st and no changes can be made after May 1st
4. **Roster minimum size** - 9
5. **Roster maximum size** – 17 - No rosters will be accepted with more than 17 players
6. **Game day minimum field roster** – 7 (to have a game)
7. **Player participation** – every player on each team’s roster must play a minimum of **4 innings per game in the field if the game is at least 6 innings long for a complete game, No Less!!**
8. **Free Substitution** – is allowed for all players excluding pitchers. Only the starting pitcher can return as a pitcher once.
9. **Mercy rule – Per Inning** – 3/4 – 3 run maximum. 5/6 and 7/8 - 5 run maximum. Number of batters per inning doesn’t matter. This rule doesn’t apply in the last inning of the game or extra innings.
10. **Mercy rule – Per Game** – 12 runs after 4, 10 runs after 5, 8 runs after 6
11. **Time limit per game** – is actual game play starting from the first pitch. Game clock stops for any weather delays. *See division rules for actual time limits.*
12. **Makeup games-** Make every effort to promptly schedule makeup games. The home team will offer the visiting team 3 dates to makeup the game within 48 hours of the cancelled game. Your respective Director should also be emailed with these same dates.
13. **Forfeits** – forfeited games are scored 7-0. See *Forfeits* section for further info
14. **Reporting a Score-** The winning team’s coach must report the score on kinderkamacksoftball.com within 24 hours of the game.

PITCHING:

1. Windmill pitching is not required. See division rules for inning limits.
2. **Intentional walks are not allowed at any levels.**

ADDITIONAL GAME RULES

1. **Sliding** – Head first sliding is not permitted except when returning to a base. All base runners advancing shall slide feet first at all bases. Any other slide is an automatic out. No hurdling over a player on a tag play to avoid tag. This will result in an automatic out. A baserunner should avoid collisions at all time by either sliding or avoiding collision with the defensive player. To clarify a baserunner must slide or avoid. In the judgment of the umpire, any runner is OUT when the runner does not slide OR attempt to get around a fielder who has the ball and is waiting to make the tag. It is the responsibility of the runner to slide in order to reduce

potentially injurious contact on all plays at all bases. NOTE: A player is not out if she doesn't slide, she's out only when she creates a collision with a defensive player. No contact, no out. Also, a defensive player cannot block a base unless there is a play at that base and the defensive player is in possession of the ball or is in the process of receiving the ball. IF A DEFENSIVE PLAYER IS NOT IN POSSESSION OF THE BALL OR IS IN THE ACT OF FIELDING or RECEIVING THE BALL AND THERE IS A COLLISION then the umpire shall wait until a dead ball situation and award the runner the base by reason of obstruction.

2. **Regulation game** – if weather, darkness or time limitation interferes with play so that the game is called (ended) by the umpire prior to completion, the following rules apply:

It's an official regulation game, after (4) four innings, unless the Home Team is leading after 3 1/2 innings. (IMPORTANT – this applies for game shortened by rain or lightning. It is an official game after 4 innings).

After four innings, you revert back to the previous completed inning to determine a winner if the game is called due to weather or darkness.

If a game is called before it's a regulation game or it's a tie game, you resume play from the exact point that the play was halted until it becomes a regulation game.

A tie game will be counted as a tie for both teams

If there is a tie after the scheduled number of innings, extra innings will be allowed if under time limit otherwise game will end in a tie.

Games that end due to TIME LIMIT are official regardless of how many innings were completed.

If "last inning - unlimited runs" IS NOT DECLARED AT THE BEGINNING OF THE TOP OF THE INNING AND THE BOTTOM OF THE INNING GOES BEYOND THE TIME LIMIT, then the mercy rule run cap WILL apply to that bottom half of the inning. At this point, the game would end and be considered an official game.

If the margin of runs by the Visiting Team is greater than 5 then the visiting Team is declared the winner and you finish the bottom half of that inning for "fun" or "practice". As that is considered an official game.

If the "last inning" is declared before the top of the inning and the inning finishes before getting to the time limit, the game is over and is considered an official game.

3. During the regular season a tie will stand as the final score.
4. All playoff games must be played until a winner is determined, upon weather or darkness game will follow continuation rule. *The time limit restriction will not apply to championship games.*
5. **Continuation Rule** – Game will be resumed exactly where it left off. All records including pitching shall be counted. Players that were not in the original game lineup will not be allowed to play in the resumed game. Players that are not at the resumed game but were in the original game lineup will have their spot in the lineup skipped without penalty.
6. **Players arriving to a game late** – Player will be added at the bottom of the batting order.
7. **Players leaving a game early** - There is no penalty for players leaving the games early. The spot in the lineup will be skipped.
8. **Speed Up Rule** – Teams can choose to use a courtesy runner for pitchers or catchers no matter how many outs. The courtesy runner must be the last batted out.
9. **Infield Fly Rule** – *see division rules.*

10. **Tagging up** – is allowed at all divisions
11. **Warm Up** – Prior to games, the visiting team shall have a 15 minute window to warm up and practice on the opposing team's field.
12. **Game balls** - Home Teams are responsible to supply 2 game balls (11" for 3/4 & 12" for 5th-8th). Balls must be max .47 COR, max 375 lb. compression
13. **Bats** – Composite bats are allowed in all divisions.
14. **Umpires**- Home team will provide and pay for the umpire. If the field location is changed due to field conditions or field availability, the originally scheduled home team is still responsible for providing and paying for the umpire. Only 1 umpire is required for regular season games. Home team may choose to have 2 umpires at their sole expense. For playoff games, 2 umpires are required at the 7/8 level and then at ALL championship games.

Playoffs

THERE WILL BE NO PLAYOFFS AT THE 1/2 DIVISION

1/3 (MINIMUM OF 8) OF TEAMS AT EACH DIVISION WILL QUALIFY FOR THE PLAYOFFS.

The top teams in each pool will play to determine a Pool winner and will then play the other pool winners to determine the DIVISION CHAMPION.

Playoff brackets will be determined after all teams are registered and will be based on the number of teams, divisions, and pools per division.

The playoffs will be single elimination. Seeding for the playoffs will be determined by a point system. Higher seeded team will be the home team unless there are field availability issues. Each team will be awarded points as follows:

3-Win 2-Tie 1-Loss 0-Forfeit

Tie breakers will be as follows:

- A) Wins
- B) Losses
- C) Head-to-head
- D) Runs against
- E) Coin Flip with the team you are tied with.

The higher seed is the home team. There will be NO RE-SEEDING for each round.

Playoff games will require one umpire at 3/4 and 5/6 and two umpires at 7/8.

All Championship games will require 2 umpires.

Teams will split the cost of the umpires at all Playoff games as well as all Championship games.

1st & 2nd Grade Rules

1. Scores are not kept at this level. This level is strictly an instructional program.
2. Teams will use 11" safety balls, (i.e. "RIF", or "Incrediballs").

Every girl plays the field. Infield positions consist of: Two pitcher's helpers, 1B, 2B, SS, and 3B. All other players are to stand **behind the baseline and on the grass of the outfield**. Pitcher's helpers are to stand no closer than 32 feet.

There will be a maximum of 3 coaches on the field. One pitching, one catching, and one in the field.

There will be a running batting order, every player hits. The batting order may change inning to inning and is encouraged.

After Six (6) swinging strikes, the batter will hit from a tee to complete the at-bat. There are no strike outs. The Home Team will provide the tee.

The runners advance 1 base at a time unless the ball is hit past the outfielders, then they may advance 2 bases.

If a runner is out on a play, the player returns to the dugout but the inning is not over until all of the batters on the team get an at bat.

On an overthrow, the ball is dead and the play is over.

The team batting will continue until the lineup has batted, even after having made three (3) outs. The last batter in each inning may run around all the bases.

Coaches are encouraged to teach their players to throw to the catcher on a force play at home plate, not run to home to make the out. We want to try to avoid collisions at home plate.

3rd & 4th Grade Rules

Batters that are hit by "slow" pitches that are rolling or bounce multiple times should not be awarded 1st base. If a pitcher hits 3 batters in a game, both coaches and the umpire should discuss if the pitcher is a safety concern. If so, then the pitcher should be removed from the game. There must be a unanimous agreement amongst the 3 parties (2 coaches plus the umpire) agreeing the pitcher is not a safety concern in order for the pitcher to remain in the game. If an agreement cannot be reached and at least one party believes a safety concern exists, then the pitcher should be removed after the third hit batter. We don't want to punish struggling pitchers but we also don't want players getting hurt.

If the batter has 2 strikes when the coach enters the game, the strike count will go down to 1. The coach will have the pitcher step aside, remain inside the circle, either even or behind the pitching rubber and pitch to the batter until the batter either hits the ball or strikes out. Umpires will call strikes on the batter. The batter can strike out swinging or looking. The pitcher will then pitch to the next batter. **If the coach needs to enter to pitch a 3rd time in the same inning, the coach will remain in to pitch the remainder of the inning.**

Baserunning

1. Baserunners will be allowed to lead upon the release by the pitcher. If a baserunner leaves early, there will be 1 warning per team per game. Next infraction constitutes dead ball and runner is out.
